Planning a fund raiser? How about BBQ plates? They sell for \$7.00 or so, are gone in 15-20 minutes and your hungry 2hrs later! A raffle ticket for an expensive gift? Maybe a T.V. or a 4 wheeler. Great gifts but the odds of winning can be pretty long.... At ***Skydancer Creations*** we offer some of the neatest items for fund raisers. Far and away, our most popular item is the ***“Stretchie Bracelet”***. This bracelet comes in an almost endless combination of colors, so we feel that we can match just about any color scheme that your organization may desire. We also offer the ***“Stretchie Choker”***. This is an excellent accent piece to co-ordinate with the ***“Stretchie Bracelet”***. We are able to also make a spiral chain necklace in the co-coordinating colors. Although the spiral necklace doesn’t stretch it is a bold statement of you support.

Give us a call for pricing info. We will provide the order forms, envelopes, a few samples to show and any support that you feel that may be needed. Kids LOVE these, most adults do to! They have been tested in the Gulf of Mexico, the Guadalupe, and the washing machine. They have even been to France and suffered no ill effects. E-mail to skydancercreations@gmail.com.
